Wonderland's Mission:

Wonderland Ave. School's mission is to create a learning community that values lifelong learning and gives children the skills, the self-confidence and the conceptual knowledge needed to be successful in school and beyond.

Wonderland's Vision:

Wonderland Ave. School is a community of learners that apply constructivist practices that promote metacognition, higher order thinking, and problem solving. Instruction is collaborative, differentiated, data-driven and interdisciplinary.

Safety Committee Description:

Wonderland's Safety Committee develops strategies that make the campus safe and secure for our school community. The committee maintains emergency supplies, conducts fire and earthquake drills, organizes school fire safety and emergency preparedness assemblies, parent ed nights and will address traffic and parking issues, where appropriate. Parents are invited to participate directly in this committee.

Agenda Items:

- Review and prioritize some of our goals from the last meeting (see recap list below)
- Review the Blue Ribbon Safety Panel doc that Guilia brought and see if it contained anything we'd want to add as goals, discuss or compare with what we currently have in place.
- Discuss the Parent Ed Safety Protocols presentation. I may not have a full PPT ready, but I will have generally ideas about what topics will be covered. I would love any insight into what the committee thinks might be safety topics in which parents are interested.
- Items for update/review from last meeting:
 - Update on new door locks funding
 - FOW proposal
 - Clayton Rosa response
 - Bench in Coyote Circle repair plan

Goals listed at last meeting to be discussed/prioritized:
